

# SPOTLIGHT FRIDAY

August 28, 2020

This week for our Spotlight Friday we chose to shine the light on Clemons Agency Inc. Clemons Agency is a family owned Insurance and Financial Services business that was established in Hawkinsville by Ray Clemons in 1986. His first office location was part of the Old Hawkinsville Hotel Building on Commerce Street next to Jay's Drugs. Clemons Agency currently offers all types of Individual and Group Life Insurance plans, Group and Employee Benefits Programs as well as Retirement plans. Mr. Ray also provides comprehensive advice and assistance on Medicare, Medicare Supplements, Medicare Advantage and Medicare Prescriptions Plans for Individuals reaching Age 65. As a staple of our community on Commerce Street for over 30 years, Clemons Agency has been active in the community by participating in Chamber events, Harness Festival sponsorships, Pulaski County Relay for Life, and Pulaski County School fund-raising projects. Clemons Agency has been a big supporter of the "Shop Local" promotion for over 30 years. We want to thank Mr. Ray and his staff at Clemons Agency for their continued support for Hawkinsville and Pulaski County and wish them all the best!
